

Cairney School aspires to be a happy, safe and inclusive learning community where everyone is treated fairly and with respect and encouraged to be the best they can be. Through high-quality, enjoyable, learning experiences, we strive to inspire and challenge our learners to achieve their fullest potential. In our school, learning is an active, exciting, positive experience. We work in partnership with parents, carers and the wider community to enable our children to become

- Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors.

Cairney School Newsletter No. 8: 19th March 2019

Dear Parents/Carers,

Swift Masks

News from the staffroom

As you know, Ms. Robertson has resigned her post at Cairney School. Her last full day in school will be Thursday 21st March. We wish her all the best and many thanks for all her hard work and contributions to the school. Ms. Robertson's post has been advertised but at the moment no one has been appointed to replace her. Until someone is appointed, I will be teaching full time.

Please note, we also have no office staff for the next few days. It would be better therefore, if you need to contact the school before the end of term that you phone rather than email. Thank you.

STEM Day at Forgue School

We are off to spend the day at Forgue School on Thursday 27th March for some STEM learning with the pupils at Forgue. We will leave Cairney at approximately 9.15am and will be back in time for the end of school at 3.15pm. The children require a packed lunch that day – most children have already ordered one from school. Thank you to those of you who have signed up for one of the workshops. These are going to be great fun with some 'hands on' challenges for each family to take part in and a great opportunity for everyone to understand more about Computer Sciences and Coding. Please come to Forgue School for the workshop slot you have chosen; your child(ren) will join you for the workshop. If you are coming for the evening workshop, please remember to bring the children too!

Enjoying our book study

Red Nose Day

We raised an amazing £100.56! The children worked incredibly hard to raise the money. Thank you for all your support and your generous donations.

Annual Pupil Reports

Our pupil reports will be issued next week. The reports will include an additional copy of the page with the learner's comments. This page also provides you with an opportunity to share your views about the report and the information about your child's progress. Please can you sign and return the extra copy to school, with any comments as soon as possible. I look forward to meeting with you to discuss your child/children's progress at our Parents' Evening to be held early next term.

How is it going with the individual achievements award? (Progress check)

Before the October holiday, all the children were given a booklet of activities to complete in order to achieve our Cairney Individual Achievement Award. We would like to see how everyone is getting on and ask that the children bring in their record books **by Monday 25th March at the latest**. These will be returned to the children before the last day of term. Thank you.

Dates for your diary

- Wednesday 27th March – STEM day at Forgue School
- Friday 29th March– school closes for spring holiday
- Monday 15th April – school opens for term 4
- Friday 19th April Good Friday – school closed

Yours faithfully,

Dr. Kim C Aplin
Head Teacher
