Cairney School Newsletter No. 7: 21st February 2020

Dear Parents/Carers,

School Vision

We have been again recently reviewing how well we are achieving our vision statement in school

For your reference, our vision statement is;

Cairney School aspires to be a happy, safe and inclusive learning community where everyone is treated fairly and with respect and encouraged to be the best they can be. Through high-quality, enjoyable, learning experiences, we strive to inspire and challenge our learners to achieve their fullest potential. In our school, learning is an active, exciting, positive experience. We work in partnership with parents, carers and the wider community to enable our children to become

- **Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors.**

We would very much like to hear how well you think we are achieving our vision. Please take time to share your ideas by completing the attached sheet and returning it to school by Friday 7th March. Thank you ☺

World Book Day

World Book Day is on Thursday 5th March this year. All the children will be given a £1.00 book token. We are asking the children to bring their favourite book into school on that day to share why they like it with their classmates. The children may also dress up as a character from a book that day if they wish to. We would love to see what the children can come up with for a DIY costume i.e. not bought from a shop but one that has been created using garments/items already owned or made from recycled materials. Dressing up is not compulsory!

Family learning Science Day

Thank you to those who came along to our joint science day with Fergie School. We had very positive feedback from everyone – both children and adults! We hope that it gave you a ‘flavour’ of what learning in science looks like in school ☺

Meeting with the parental engagement officer

As you know, we had arranged a meeting to be held in school on 20th February with the parental engagement officer to discuss the possibility of

setting up a parent council or parent forum. Unfortunately we had to postpone the meeting but hope to reschedule it as soon as possible. Thank you to those of you who indicated that you were coming along – hopefully we will have a good turnout when a new date has been organised.

Outdoor Learning

We have waterproof clothing for all the children (trousers and jacket) so that we can get outside more often without worrying about the weather or about how muddy we get. If possible, please could you provide your child/ren with a pair of wellies that can stay in school so we don't have to worry about keeping shoes clean and dry too? Thank you!

Dates for your diary

- 3rd April - Last day of Term 3. School closes for Spring break
- 20th April - School re-opens
- 8th May - Holiday, school closed
- 1st June - Occasional Day / Local holiday, school closed
- 3rd July - Last day of Term 4. School closes for summer break

Yours faithfully,

Dr. Kim C Aplin
Head Teacher
