Dear Parents/Carers,

Flu Immunisations

All pupils have been issued with flu immunisation letters. Please return the consent forms asap; If we don't receive a consent form, your child will not receive the immunisation.

Parent/carer teacher interviews

We plan to have our first parent/carer teacher evening of the year on Wednesday 9th October and we will shortly be sending home information so that you can book an appointment slot.

News from the staffroom

The advertisement for the vacancy created by Miss Robertson's departure in March has closed again and unfortunately there are no applicants. We have re-advertised the post again and I will continue to teach the children full time until we fill the position. To allow me to undertake my Head Teacher responsibilities, supply teacher Mrs. Robinson, who has worked with the children before, will teach the class for a couple of days before the October holiday. Mrs. Robinson will be taking the class this Friday.

River Day/Outdoor Learning Day at Glass School 3rd October

We are in the process of planning a day at Glass School where the children from the two schools will work together for the day undertaking some outdoor learning activities and have the opportunity to sample the river to find out what is living there. We are very grateful to Dr. Al Reeve and his colleagues who are leading this day for us – a second day of learning about rivers and habitats for us at Cairney!
☺ Details for this trip will follow soon.

Shabby to chic....

We have recently had the school hall repainted and it now looks very smart and nice and fresh. We are also very grateful to the parents and the team from Tesco who gave up an afternoon to sand down and repaint our picnic benches and seat. The benches look lovely now and we are enjoying using them during the day. The shelter shed has also been pressure hosed ready for repainting. Thank you to everyone who has helped in any way.
